THE PRC *JUMPSTART* CHECKLIST

A quick guide to getting started inside the PRC community.

The Photographer Resource Collective grows through shared knowledge and collaboration. This quick checklist will help you set up your profile, explore the platform, and jumpstart your participation in the community.

☐ **CREATE YOUR PRC ACCOUNT**
Set up your login and become part of the community.

☐ **COMPLETE YOUR AUTHOR PROFILE**
This is your public profile so the community knows who you are.

Author Profiles appear on all your listings and typically include:
your name, a short bio, links and contact info.

This is separate from your business listing.

☐ **ADD YOUR BUSINESS – AS A LISTING**
Directories highlight creative professionals and useful services.
Your listing is **separate from your Author Profile**.

• business name
• contact information
• website + social links
• 3–6 images that showcase your work

☐ **CHECK OUT THE COMMUNITY CALENDAR**
The calendar highlights:
networking events │ workshops │ local creative gatherings │ industry opportunities │ post something you are hosting │ mini sessions

If you know of an event others would benefit from, you can submit it.

☐ **CONTRIBUTE TO THE COMMUNITY**
The community grows when members contribute.

• Add a Photo Location to help build a community library of spots.
• Add a great vendor you've worked with (wedding or event).
• **Share this resource** with other creatives and vendors.
